Dear Gudrun

Hello Gudrun how are you doing? for me great
I'm really excited when I saw your email from you.
It's a great news for me because long time
ago I can't see you so I miss you so much.

Now I have a good health and now I'm studying
at university I'm study about hospitality for tourism
and I'm working in the hotel in Siem reap. The but
right so sad because my work place is closed 2 years because
of virus covid 19. The during I'm working and studying I'm
moved to live in Siem reap and stay at room rate with my
friend but right now I'm not working just stay at home

I hope everything is better soon.
Maybe 2 years ago one day I'm holiday from my working I'm go
to visit at bonteysey temple and than I meet Gerlinde and I'm
talking with her and than she say I will tell everything to Gudrun
That time I really happy to hear that and I want to say thank you
everything for your support me.

I hope one day I will see you again and hope soon.
I want you to see my life right is good because this year I'm
I'm studying at university year 4 senior I will finish at
university this year.

Now I want to say thank you for everything from you.
I would like to say happy merry Christmas
I wish you good health and have
a wonderful day
Hug from me Sreyppum to Gudrun

Dear Hermann

I'm Pra. How are you? How is the weather in your country this time? Does it have snow? Here in Cambodia, the weather is very fine. It's getting cooler after the rainy season. I am fine and also my family. I'm in the phone shop every. There are not many customers, but it's ok. I'm extremely grateful and thankful for helping me. I have a big hope for my life, without your big open heart support, I would not have this time. Thank you so much. I wish you all the best and safe from all illness. May the god blesses you.

Big love and greeting.

Dear : Gerlrnde

I hope you are well. I would like to thank you for the invaluable support with my education.

Now I'm studying at Royal University of fine Art major Architecture my education is great I always trying my best by studying until midnight sometimes at 3AM because I just want to change my livelihood to be better and I want to be a great sister for my both siblings and I also want to be a great human for my country. The major I studying is invaluable for me because is one of my biggest dream job and I really love it. My dream I just want to be a women that inspire other women to be strong, to reach their potential, to be 30 minutes to get into school. But I am really happy with what I have. Thanks for your present It's very nice I love it and also for your pocket money \$50 I will use this for my study and other need for my living. My family are always supporting behind me. And you're also one of my family.

I am so lucky to know you - I will always remember you and your family. You are always in my heart.

Dear Sandy Bisinger

Hello Sandy. How are you? I'm ^{not} very well. I didn't write earlier because I was very busy. I hope you will be have a good health. For me and my family were not very well during this hard time. I know you have been working very hard with you work during Covid-19 Pandemic. What are your country progressing right now? Does your country start accepting tourists? And you have already gotten retired? Anyway, I have had such a tough time studying online but I'm very happy with virtual platform by learning how to use technology. I have almost finished my second years of my major at university, and now I starting the third too. It's very busy with new conditions. Someday. I have no time to sleep and eat. Nowadays, I going to school by motobike with my friend's because it's too far and waste ^{many} time. For the materials this year it so expensive and spend a lot of + moneys. However, I am very thankful to you for always supporting and giving a big of love to me. I hope

I will see you someday
again in Cambodia. Wis

Hello! My name is Py Boku. How are you doing?
I hope all your family has been great. My family and I are doing fine either. I would like to say that I finished grade 12 already, and currently, I am pursuing my major of the nursing at Angkor University, Pnompen, because of Covid-19 spreading. I have been studying with an online platform to learn the Ministry of Health Measures. I love it's really hard because my course has to be studied theory with physical practice to strengthen my capability to be able to do an work, and I always try to research relevant sources of my major to enhance my knowledge. And the end, I can say that, thank you so much for supporting me for studies at university. I wish you and your family good health and business has gone where anyone is love. I really want to meet you. I hope that we will have a chance to meet someday.

Best Love.

Good morning mum. My name is VANSUN. How are you? I hope you doing well. Is it cool in Germany? Please take care of your health. I am fine. Now I am working as a volunteer at Baby Bird Farm at Kep province. I work at Vegetable department. After three months, I will go back to Siem Reap to continue the class at Agroecology School. I have learnt a lot from school and farm. I learn ~~to~~ about insect and treatment in organic way. They teach me how to germinate seeds in correct way. I can not wait to share these informations to my friends at school. At the End, All I can say is that I really thank you that you are my mother and thank you for this opportunity to learn. I wish that you and your family live well and healthy. I miss you mum. I really want to meet you. I hope that we will have a chance to meet someday.
